***** EDITORIAL *****

The new "H & T" LOGO looks pretty snazzy!!! What do you think about it? -- With this Month's newssheet is a ballot with which you can vote for R.P.A. Officers and Constitutional amendment. Please take the time and vote!! I would like to make one observation and that is this- there's not one women on the ballot, but there are R.P.A. members who could remedy this! ---- Good news! The "H & T" will be published during the Summer break. Again, I would like to print articles submitted by the membership. It doesn't take much time to type out a short stamp article and mail/or/ hand it to me at the June Meetings!!!

Dr. Leslie J. Roll died May 11th. The R.P.A. will deeply miss his active support of the club's programs and projects. His friendships with many members will be long remembered.
