THE PENNY BLACK

The stamp that is recognized as the world's first government-issued adhesive postage stamp was officially first used on May 6, 1840, although some are known to have been used a few days earlier.

Stamp Collector, February 24, 1990

Postal Service updates, adds to 1990 first-day-of-issue schedule

The Postal Service has updated its 1990 first-day-of-issue schedule. Additions include not only the Jesse Owens commemorative opening the Olympic program but what will be the blockbuster issue this spring, four stamps picturing scenes from classic Hollywood films of 1939.

The stamps, which resemble miniature movie posters, will be issued March 23 as a prelude to the 62nd Annual Academy Awards in Hollywood on March 26.

The designs feature Clark Gable and Vivien Leigh in a climatic scene from *Gone With the Wind*; a stern-faced Gary Cooper in French Foreign Legion uniform from *Beau Geste*; John Wayne in a broad-brimmed hat from the classic *Western Stage Coach*; and Judy Garland and her faithful dog Toto on the yellow brick road from *The Wizard of Oz*.

Included in this issue you will find an 8 1/2 x 11 inch ROPEX flyer. Please display where ever you can get permission to do so. A location that gets a lot of traffic is preferred such as a library or grocery store.

REFRESHMENTS WHERE ARE THEY?

Many of you have asked "Where's the eats". It was agreed that refreshments would no longer be provided for from the clubs treasury. Coffee and tea would still be provided while the supply last. Those interested are welcome to bring goodies to set out but its not fare to the few who do if nobody else takes a turn.

Remember: refreshments are to be consumed at the far end of the meeting room and not near the stamps.

NEW OFFICERS THAT TIME OF YEAR

Its that time of year to begin thinking about electing new officers. We will need a volunteer to head up a nominations committee. If you are interested in this job or becoming an active member on the board please let any club officer know which position your interested in.

MEMBERSHIP PROPOSAL PASSED

At the January 25th meeting a vote was counted and found in favor of changing the Constitution Article II, Section 7. The new bylaw reads:
ARTICLE II: Membership Sect.7
Membership is allowed upon the paying of one years dues with a completed application form.

Our first new member is Mr. James Knapp from Henrietta, N.Y. Jim was introduced to the RPA by Kelly Armstrong, Jr. Jim has been a long time collector and is a native of Henrietta.

REMEMBRANCE OUR FRIENDS

We've heard that Carl Doell is recovering from his hip replacement and has even felt well enough to spend the remainder of the winter in Florida. Good luck, Carl.

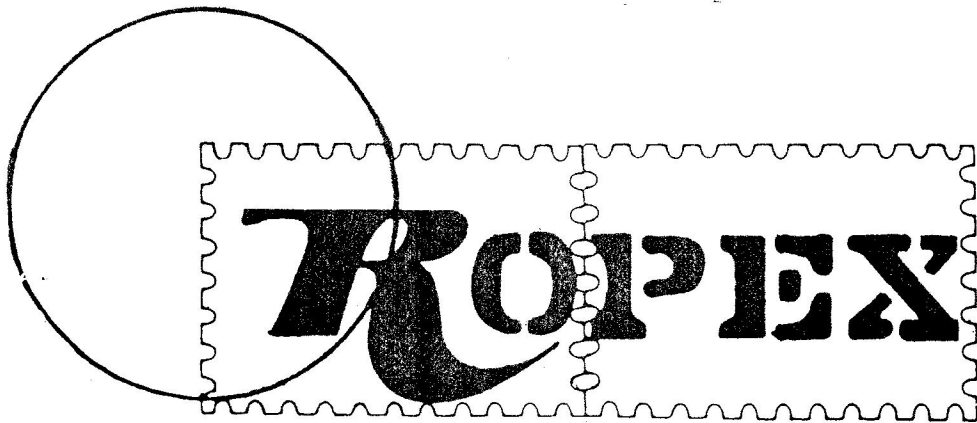

Warren Stevens has been quite busy getting his collections in order and pounding away on those computer keys. Warren is always glad to hear from his friends of the RPA. Why not give him a call some time just to say Hi! He's in the book.

Helen DeSolar says hello and wants everyone to know that she is fine and is sorry that she has not been able to attend our monthly meetings due to conditions beyond her control. Her good friend Jim Trenton will be glad to relay any messages to Helen. Best wishes Helen.

ROPEX-90 HOSPITALITY TABLE

The hospitality table is in need of volunteers. All that is needed is a friendly smile. You may have to make change when selling club covers but we have tried to keep everthing as simple as possible.

If you can help out even if it's for an hour or two it would be appreciated. Let Chuck Schultz know when you can help out.
