Special 2nd Day of Issue Ceremony for the new Deaf Stamps

Ceremonies will take place on Tuesday, September 21 for the se-tenant "I Love You" American Sign Language stamps at the RIT Robert F. Panara Theater, beginning at 9AM.

The National Technical Institute for the Deaf (NTID) is celebrating its own 25th anniversary in conjunction with the stamps. A special pictorial postmark will be made available in the lobby of RIT's Lyndon Baines Johnson Building for those interested, after the event, where the stamps will also be made available. The postmark features a flowering crabapple tree, symbol of NTID's 25th anniversary, denoting the growth and strength of its students and programs.

NTID is the largest technical college for deaf students in the world. Rochester has one of the largest per capita deaf populations in the country, including the more than 1,100 students at NTID.

Letter of Thanks

I would like to thank all the members of the RPA who thought of me, dropped cards, or called during my throat problems. Your support was greatly appreciated.

Sincerely,
Brad Sterling

Meeting Notice
The Board of Governors will meet briefly following the close of the regular RPA meeting September 9th.

HELP! HELP!

The RPA committee trying to put together the history has gone through all of the written records, ROPEX programs and *Hinges and Tongs* that were stored in the clubs locker at the church. These are incomplete. We are in need of ROPEX chairman names from the following years: 1980, 1970, 1969, 1964. We also need dates, site and other info including a program from these years. We also need RPA officers names from the years: 1966/67, 1943, 1942, 1941, 1939, 1936, 1930-33, and 1918-19. While we have the Presidents name in other years we do not have all the officers names or board members for many others. Can anybody give us this info? We would like to have a complete file of H&T. If you have any copies that you would like to donate please call Tom Fortunato at (716) 621-1670.

If you have any memories about special programs, club activities, trips or amusing events let us know. And finally what happened to the Municipal Collection started in the 1930's?

Michael W. Magin

Phone Cards

Phone cards - the latest collecting rage. Here is an example from the United Arab Emirates. Rather than deposit coins into a telephone, callers buy cards of various denominations to insert into special slots on phones. Magnetic strips contain data on the reverse, which when used up, have no value, except for collectors.

Program

Please note that a new monthly program will be tried this year starting with the Sept. 23 meeting. A one page exhibit contest will be held and the winners will be chosen by the most popular vote of the membership. Points to be accumulated toward a year end prize. Every member that enters will receive points. Complete details in this issue of H&T.

Rules for RPA One Page Exhibit Contests

1. Only one entry per member will be allowed per contest. To qualify, entrants must be present before any voting begins.
2. Material displayed must be the property of the exhibitor. Collateral material is acceptable, but the emphasis should be philatelic in nature.
3. The maximum page size is 8 1/2 x 11 inches. Any paper type or color is acceptable.
4. No reference to the exhibitor's name is allowed on the display's front. If necessary, window addresses, etc. The exhibitor's name must appear on the reverse of his or her exhibit.
5. The theme of each contest will appear in an issue of *Hinges & Tongs*. "Any subject" contests allow the exhibitor to select any topic or philatelic area.
6. Voting will begin and end at the call of the presiding officer. Every member and guest shall have one vote signifying a preference among the exhibits.
7. Votes will be counted by two non-exhibiting members. Improperly marked ballots are void. In case of a tie, multiple winners are declared. Winners receive prizes.
8. Point totals toward the year end grand prize are as follows:

1st place	5 points
2nd place	4 points
3rd place	3 points
4th place	2 points
all other entrants	1 point
9. Point totals from previous contests in a given season will be cumulative to determine an overall grand champion, who will receive a special award. The recording secretary will record all votes for each contest.
10. All queries shall be addressed to the presiding officer, whose judgment is final.
