RPA President's Column

by Tom Fortunato

By the time you read this, the "dog days" of summer will be here. Quite appropriate, actually, as this is the Chinese Year of the Dog!

June 4 was the date of the annual year end banquet, this year held with the Kodak Stamp Club at Rick's Prime Rib House. Over 65 area collectors and guests came to enjoy the meal, a slide presentation on the Statues of Freedom and Liberty, a 96 lot auction and the company of one another. While the event went a little longer than planned, what better way could there be to spend an evening?

The strawberries were as sweet as ever at the traditional last meeting of the RPA stamp season on June 23. Mike Fader, our recuperating recording secretary, made welcomed appearance. So did Stan and Dot Scheer after a long absence. Rumors of a visit from Andy Hale were just that, as Andy was resting after a long day working at his stamp shop. Stop by and say hello when you get a chance.

ROPEX'95 meetings continue through the summer. Rick Kase, show chairman, is deep in the process of organizing the show. Preliminary themes relate to two space anniversaries; Apollo 11's historic moon landing (25 years) and the Apollo/Soyuz Test Project (20 years). Further details of ROPEX'95 will appear in future editions of Hinges & Tongs.

So what's ahead for the upcoming 1994-5 RPA stamp season? Vice Pres. Ada Prill promises to arrange a great year of programs, including a return of the popular one page exhibit competition with a new scoring system. With your help, we will also have several live presentations on a variety of subjects. Do you have a specialty you want to talk about? Don't be shy and contact Ada ASAP so that she can schedule you in.

We would like to see some of our "more seasoned" members attend our meetings. Come and reacquaint yourselves with some old friends and meet your fellow members. If you need a ride, we can arrange one for you. Call me a week in advance of any meeting. How about having "welcome back" meeting where we can display some of the items in our archives. You can fill us in by identifying some old pictures and other memorabilia we've uncovered.

Speaking of archives, the Historical Committee is wrapping up over a year's worth of work. Chairman Paul Gerwitz and his committee of 8 have finished a written history of the RPA from its founding in 1913 through 1971. It's the most comprehensive undertaking of its kind ever. Committee members not only dug through the club archives at St. Paul's Church but also visited such places as the Rochester Museum, old home of the RPA, to learn of extraordinary details and separate fact from fiction. Their report will appear in serial form starting with the next edition of H&T, which by the way was named when a contest was held in 1963. Who won that contest and what did the winner receive as a prize? Keep reading Hinges & Tongs!

receive as a prize? Keep reading Hinges & Tongs!

By the way, can anyone help us out in trying to compile as complete as possible run of all RPA cacheted covers ever made? Research has shown that covers even earlier than 1934 exist. There is no recorded listings of these and regrettably, some may be lost forever. So look through your treasure boxes at home and see if you can dig up some covers which can be donated to the club to be appreciated by current and future members. We also are seeking older issues of our newsletters and these, too, would be welcomed by the RPA.

Why don't you consider writing an article or column for an upcoming newsletter? Editor Joe Doles is always in need of items for each issue. Any area of philately can be written about, from classics, to new issues, to your own collecting interests. This is also a good way for some of our out of town or bed-ridden members to participate in the club.

These are just a few of the things happening at the RPA. YOU can make a difference by taking an active role in the club in whatever way you can. Any ideas on possible activities for Stamp Collecting Month in October? I look forward to working with you as we begin our 82nd season!

MEMBERSHIP UPDATE

As of the middle of August, only 29 out of 150 dues-paying members of RPA had not yet renewed their memberships. We hope these will remember they still need to pay their \$10.00 dues. If you can't remember if you have paid, look at your most recent RPA membership card: if the expiration date is July 1, 1994, then -- OOPS! -- time to get that check written.

Where else can you get such a bargain for your ten dollars? There are 17 meetings, plus a stamp show, plus lots of activities and programs, a chance to buy and swap stamps, and opportunity to meet lots of friendly people.

Since June, we have 2 new members: **David Engdahl**, also a Kodak Club member, and **Amy Vaughn** from Geneseo. This makes a total of 13 new members this year.

Congratulations to two Golden Wedding Anniversary couples: **Stan and Dottie Sheer** and **Larry and Mary Moriarty**. Each pair celebrated their 50th over the summer.

Our sympathies are extended to **Bernice Watson**, whose husband Earl passed away, and to **Herman Gross**, whose wife died over the summer.

Florence H. Wright
