

EPILOGUE

FOLLOWING THE CLOSURE OF THE WASHINGTON, D.C. PROCESSING & DISTRIBUTION CENTER DUE TO ANTHRAX CONTAMINATION, CITY MAIL HAS BEEN PARCELED OUT TO SUBURBAN P&DC'S FOR PROCESSING. ON A NUMBER OF OCCASIONS WASHINGTON, DC CANCELLERS WERE USED AT THE SUBURBAN P&DC'S TO CANCEL MAIL. AT LEAST TWO NEW SLOGAN KILLERS WERE USED, ONE IS SHOWN HERE. BECAUSE THESE SLOGANS WERE APPLIED AT SITES OUTSIDE THE DISTRICT OF COLUMBIA, THEY ARE BEYOND THE SCOPE OF THIS EXHIBIT. AS OF TODAY, PROCESSING MAIL IN DC HAS NOT RESUMED.

THE CURVED CLIPPED CORNER OF THIS ENVELOPE INDICATES THAT IT HAS BEEN SANITIZED FOR ANTHRAX.
