

SNOWMEN, A WINTER CREATION

Used for small and regular size letters
up to 100g 2nd class

Used for large letters between one of (L) 240 & 353mm, (W) 165 & 250mm or (D) 5mm & 25mm up to 100g 2nd class

The top hat - traditional hat found on snowmen but not so easily found today!

This single frame thematic exhibit looks at the icy creation know throughout all cold weather climate lands as snowmen, including how they're made and what they wear.

Are they true reflections of us?

Plan

- 1.0 Origins of the snowman
 - 1.1 Universality in places where it snows
 - 1.2 Snow covered man/ imagination
- 2.0 Conditions for making snowmen
 - 2.1 Winter comes
 - 2.2 Snowflakes - basic building material
 - 2.3 Add children to the mix
- 3.0 Materials for snowman faces
 - 3.1 Coal
 - 3.2 Buttons and stones
 - 3.3 Carrots
- 4.0 Accessorizing
 - 4.1 Hats
 - 4.2 Brooms and Scarves
 - 4.3 Pipes and other miscellaneous items
- 5.0 Conclusion

Amid falling snowflakes, the main necessary ingredient, children build a snowman in a field.
