

### What is Stamp Camp USA?

Stamp Camp USA is a collaborative educational program that boosts children's skills and knowledge through the use of worldwide stamps, envelopes, and Stamp Camp Cash.

Campers, ages 8 to 14, begin by learning stamp collecting basics, including the proper care of a stamp collection and the use of cool stamp tools.

After they learn the basics, campers select a topic and then hunt for related stamps, envelopes, and postmarks in the donations. These materials become part of their personal collections, to be used in their projects, such as creative three-dimensional exhibits, or four-page competitive exhibits.

Throughout these activities, each camper earns Stamp Camp Cash, which they use to purchase prizes at the end-of-camp auction.

### Why Stamps?

Postage stamps, with their colorful images and real-life stories, have fascinated millions of adults and children ever since they first appeared more than 150 years ago.

There's something to interest everyone in the world of stamps — nature, wildlife, artists, athletes, space ships, dinosaurs, monuments, historical events, faraway lands, and more!

Stamps are an ideal way to motivate children to learn. They provide a stimulus for an exciting discussion and they add a touch of family fun for your home and community.
