

AMERICAN FIRST DAY COVER SOCIETY

BEST FDC AWARD CRITERIA

1. The AFDCS offers an award to any WSP show and to AmeriStamp Expo where there are two or more first day cover exhibits by at least two different exhibitors. Awards will only be mailed to those shows that request them.
2. The AFDCS award is to be presented to the exhibitor determined to have entered the best first day cover exhibit in the show regardless of AFDCS affiliation. Youth exhibits also are eligible. The AFDCS award is in addition to any show medal or other special award that the exhibit may earn.
3. The exhibits must contain at least 75% FDCs or FDC related material, such as ceremony programs, souvenir pages, post office announcements, production cachet design, artwork, etc. as indicated in the latest edition of the *APS Manual of Philatelic Judging*. The manual provides judging guidelines for two categories of FDCs: the Postal Division and the Illustrated Mail Division.
4. The AFDCS award should be listed wherever the show committee itemizes special society awards (e.g. the prospectus, show program, show website, etc.).
5. The name of the winner of the AFDCS Best FDC Exhibit award and the palmares should be sent to the AFDCS awards chairman:
