April 7, 1995

On behalf of the 130 members of the Rochester Philatelic Association, let me welcome you to our annual stamp show, ROPEX '95.

The spirit of volunteerism is all around you, as this event clearly demonstrates. RPA members have worked hundreds of hours to make these three days a fun and enjoyable experience for everyone.

Several societies will be holding meetings during the show. Special hello to members of the United Postal Stationery Society, Empire State Postal History Society, Chapter 53-Central New York First Day Cover Society, Central New York Federation of Stamp Clubs, American Association of Philatelic Exhibitors and the Fakes, Forgeries & Counterfeits Study Group.

A warm thanks, too, goes to our exhibitors, judges and dealers from across the USA and Canada. Your presence makes ROPEX possible.

We are pleased to sponsor a beginner's seminar on Saturday at 1:30. Funded by a grant from World Columbian Stamp Expo '92, RPA members will introduce young and old alike to our wonderful hobby through a short presentation and hands-on activities.

Enjoy your stay in Rochester, "The World's Image Center." If you're from the area, consider becoming an RPA member!

Time to blast off!

Thomas M. Fortunato  
RPA President

The Rochester Philatelic Association was deeply saddened by the death of Larry Moriarty on January 25. Larry had been an active RPA member since 1968. He served several terms as club president and also acted as ROPEX chairman a number of times, most recently in 1993.

Larry had been a collector since childhood. His primary adult collecting interest was Hungarian postal stationery, but he also collected Fiume, basketball stamps and perfins. He was past president of the United Postal Stationery Society and was also active in several other philatelic groups. He was an accredited APS judge and also judged for the Central Federation and Niagara Federation.

Larry and his wife Mary celebrated their 50th wedding anniversary in August. He is also survived by four children and four grandchildren.

# THE ROCHESTER PHILATELIC ASSOCIATION, INC. HISTORY

The RPA was organized on March 12, 1913. The first meetings were held in the Hotel Rochester by eleven members. Later meetings were held at the Municipal Museum. During World War One, membership dwindled to five members and meetings were held in their homes. When membership again increased, meetings were held at a local stamp dealer's shop. The RPA then migrated to the Public Library, the Edgerton Park Museum, the Bausch Museum of Arts and Sciences, and in 1976 moved to St. Paul's Church on East Ave.

Over the 82 years of existence and about 1400 meetings, a wide variety of programs have been featured. These activities include speakers, movies, slide talks, exhibits, swap nights and auctions. Much knowledge on the hobby of stamp collecting is still available to the members through the extensive library kept by the RPA. Bus trips, picnics, and an annual dinner-auction are the activities of the RPA.

Early exhibitions of the RPA were local affairs, but during the 1930's and 40's, shows were held in conjunction with the Rochester Museum. In 1950, the RPA assisted in the formation of the Niagara Frontier Federation of Stamp Clubs. This group and the Central New York Federation of Stamp Clubs with the RPA put on exhibitions of international quality.

The year 1963 was the Golden Jubilee of the RPA. A show of over 700 frames was held in Rochester's new Midtown Plaza. This show paved the way for subsequent large exhibitions and bourses such as TOPEX-67 and APS-68. It was at APS-68 that the RPA inaugurated the World Series of Philately, now known as the Champion of Champions Show. The ROPEX title was initiated in 1971. The RPA has hosted such organizations as the American Philatelic Congress, the Society of Philatelic Americans, and the American Topical Association.

This background of the Rochester Philatelic Association provides appropriate credentials for the RPA to host
