RPA welcomes the National Convention of the
Auxiliary Markings Club

Welcome to ROPEX 2015

The members of the Rochester Philatelic Association are happy that you could join us for our annual show. The twenty dealers at this year's show offer a wide variety of philatelic material and we hope each of you will find something new for your collection. This year you will also find coin dealers who we welcome in broadening our show's appeal to the public.

Take the opportunity to check out the 194 exhibit frames at this year's show. The Grand winner among the competitive exhibits will represent ROPEX in the APS "Champion of Champions" competition being held in Grand Rapids, MI in August. For more on all the awards our exhibitors are competing for, please visit the ROPEX page on our website.

ROPEX 2015 welcomes the national convention of the Auxiliary Markings Club (<http://www.postal-markings.org/>). The organization was founded in 2003 by John Hotchner and Douglas Quine with the goal of helping all to understand the origin and meanings of markings, and facilitating the exchanging of material of interest among members. With over 30 charter members, editor Tony Wawrukiewicz published the first edition of their quarterly Auxiliary Markings newsletter in January 2004. Today members come from across the United States, Canada and several countries around the world. Annual club dues are \$18 on January 1, 2015.

ROPEX 2015 souvenir covers honor Elvis Presley and Auxiliary Markings related to his hit song Return to Sender. Covers are \$7 per set of 3 and may be bought at the show or by mailing a check and SASE (or add \$1 per set) to:
RPA, PO Box 10206 Brighton Station, Rochester, NY 14610

We invite you to join the RPA! Meetings take place on the second and fourth Thursdays of most months between September and June, and only once in November and December on the second Thursday. *New location!* Meetings are at the JCC of Greater Rochester in Brighton at 1200 Edgewood Avenue in Room A. Buy/sell/trade runs from 7:00-7:30 PM, followed by the formal meeting at 7:30 PM. **Find out more information and get a membership application at the RPA table!**
