

# Michigan Wheel of Fortune Cancellation

## by Larry Rausch

### Introduction:

This article details those towns using the Wheel of Fortune postmark that I have identified for the state of Michigan.

In the November 2005 U.S. Cancellation Club News issue, Arthur Beane announced a project to produce a monograph on the Wheel of Fortune cancels. I've taken up the task to complete this monograph.

*Here is where you can help... by providing any additional covers that I have not identified and forward photo scans of these Covers to me at [stonywoods840@gmail.com](mailto:stonywoods840@gmail.com) . All state towns and duplicates would also be appreciated.*

Figure 1: A Typical "wheel of fortune" Cancellation (enlarged to show detail)

### Background:

In 1880 the F.P. Hammond Co. of Aurora, Illinois, introduced the canceller (Fig. 1). Today this fancy rubber canceller is called **Wheel of Fortune (WOF)**. The highly detailed stamper was made possible with the invention of vulcanized rubber. The Peerless Vulcanizer shown on the 1898 cover below (Fig. 2) may have been the type of machine to make the Wheel of Fortune device.

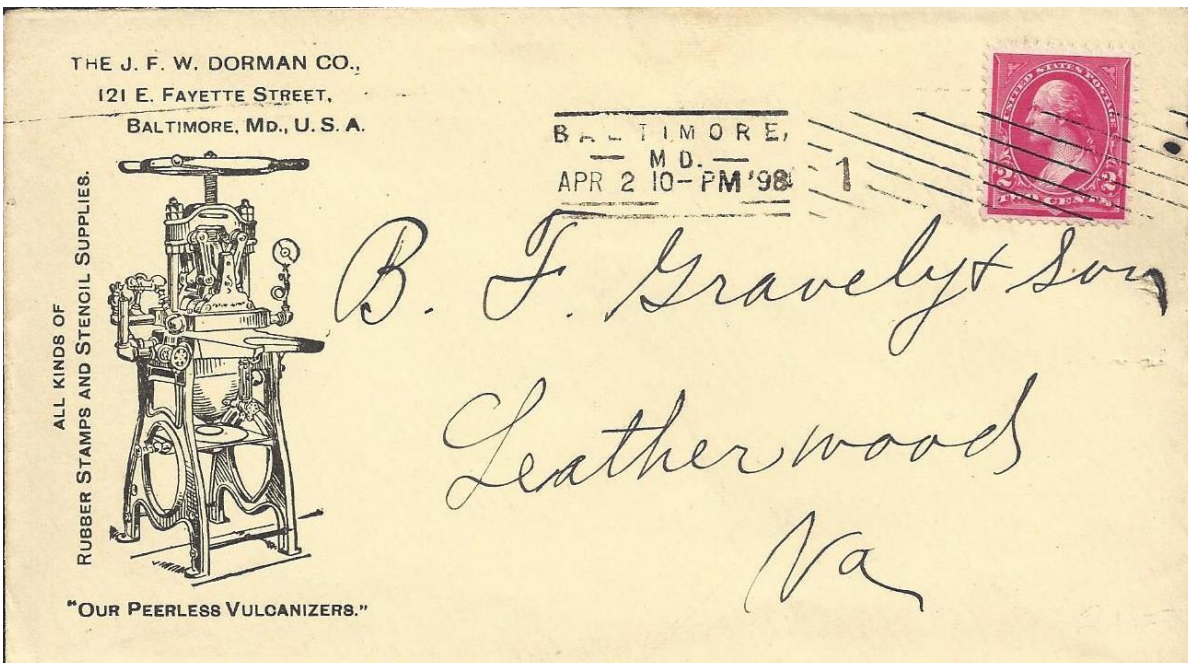

Figure 2. Illustrated advertising cover for the "Peerless Vulcanizers" which made rubber handstamp devices, like the Wheel of Fortune killer, possible.

The first advertisement for the WOF appeared in the January 1881 U.S. Official Postal Guide (Fig. 3). Although this ad depicts postmarks dating in the 1870's, the earliest WOF postmark found to date is February 26, 1880 from New Lisbon, Wisconsin. The earliest Michigan cover is dated June 6, 1883 from Caseville, Michigan (Fig.4).

(Note: In the advertisement under "Best Offer", this Cancellor and kit cost \$3.00.)

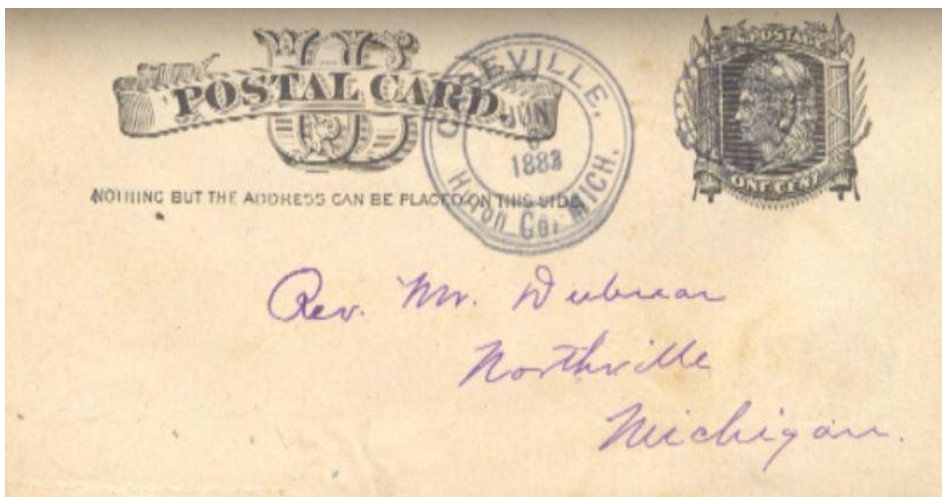

Figure 4. This postmark from "Caseville, Huron Co., Michigan June 6, 1883" represents the earliest example of a WOF marking from Michigan.

I show the seven different cancellations found on WOF covers (Fig. 5)--six duplex and one with only the WOF die, coupled with many different circular date stamps as shown in the Shelby, Michigan cover (Fig. 6).

The 1995 book “ Cancellations and Killers of the Banknote Era 1870-1894” by James M. Cole listed a total of 353 US towns using the WOF cancel; for Michigan he listed 12 towns. Also the Kelleher Auction of the 2011 Arthur Beane sale had 26 Michigan WOF covers listed. To date, 29 different Michigan towns have been identified (Fig. 7). Some of these Wheel of Fortune Postmark covers follow this article.
