

Wheel of Fortune Cancellation

By Larry L. Rausch

by Larry L. Rausch

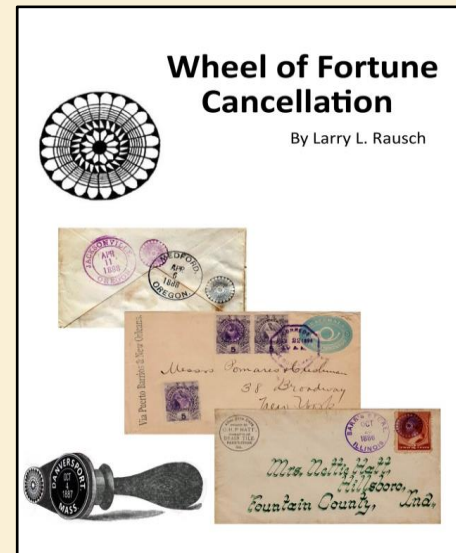

featuring
136 color pages
8.5 x 11 inches in
size, available
spiral bound or as
a free PDF
download.

A thorough personal study of the commonly called "Wheel of Fortune" cancellations produced by the F. P. Hammond Company in the late 19th century and used by post offices in over 1,050 towns across the U.S. as well as in Mexico and Guatemala.

This philatelic monograph documents and illustrates these fascinating dater and cancellers in state and town order, complemented by nearly 300 covers in full color. A must for the casual collector or postal history specialist!

Download at www.rpastamps.org/wof.html or purchase a spiral-bound printed copy for \$21 postpaid to US addresses from: Larry Rausch, 1403 Rivers Run, Rochester, NY 14623.
