by John P. Kellas

Future newsheets of the "H & T" will be highlighted with a new logo as well as expanded reports on current philatelic events. These and other improvements are aimed at increasing the effectiveness of the "H & T" to inform the R.P.A. membership. Currently the newsheet is issued monthly excluding the summer months of June, July, August. However, it is possible that this summer newsheets will be mailed to the membership. These extra issues would serve as a philatelic focal point filling in the summer vacuum created by the lack of R.P.A. meetings during those few months. This represents only one of the many ideas being batted around by the "H & T ThinkTank". -- Again, the "H & T" would like to print philatelic articles authored by any R.P.A. member. If you have an article, please submit a typed copy by the first of the month to: John P. Kellas c/o Rochester Philatelic Association; P.O. Box 3806, Brighton Station, Rochester, N.Y. 14610.

\*\*\*\*\* R.P.A. LIBRARY \*\*\*\*\*

A copy of Linn's World Stamp Almanac, a handbook for stamp collectors will be added to our growing library. It is interesting to note that the R.P.A. is mentioned several times in the book!

This will be the last reminder on R.P.A. 1977 dues. Please renew your membership (\$3.50/yr., \$1.00/jr./yr.) now. The mailing list will soon be readjusted to include paying members only.
