MEMBERS AND MORE MEMBERS

In addition to the new members reported last issue, two more have joined the R.P.A.:

Bob Melnyk of Rochester. He reports that he collects U.S., Canada, and British Canal Zone.

John Hotchner of Falls Church, Virginia.

Most recently, John served as a judge at ROPEX-97. Topping his list of interests and activities (which are many) are used U.S. with corner tabs or markings, Errors, Freaks and Oddities, Christmas Seals, and the 1908-1922 Washington-Franklins.

* * * *

In June dues for 1997-1998 will be due. Don't forget, RPA dues are \$15.00 per year.

So far, ten members have already paid their dues for the coming year; many thanks to them -- and to you who will be paid by or before the due date of July 1, 1997.

Want free membership for a year? Bring in two new members to the club and your dues will be paid up! Several of our group have done just that: Joe Doles, Tom Fortunato, Rick Kase, John Kellas, Ada Prill, Jim Trenton, and Norm Wright.

* * * *

It's great to see so many at our club meetings. But, please, heed this little saying I saw recently:

"If you see someone without a smile,

Give him/her one of yours!"

The idea is - if you see someone you don't recognize, or who may appear new to the surroundings, by all means, introduce yourself, learn their name and make them feel welcome.

TIME FOR TOPICALS

The March-April *Topical Time* instead of concentrating on one theme for the issue, offers instead a savory smorgasbord of articles.

Visit the "Seven Wonders of the Ancient World" through philately on page 21. Or try finding the castles in the article by Vincent De Luca. "The Other Newfoundland" -- the dog not the country -- is well illustrated with stamps on the subject.

For a change of pace, "Thematic Cigarette Cards" might be of interest (page 29). You can also learn about "Windjammer," shells, "The Good Samaritan," or weather satellites, and other topics, all shown on stamps.

See Joe Doles to check out this issue from the RPA library.

Explanation of Ballot
(for Suggested Constitutional Changes)

Proposition I - Matter of change to allow a president to succeed himself/herself:

Vote for one option only – A or B or C (improperly marked or unmarked ballots will be declared void for this proposition [#I]).

Purpose: The purpose of Proposition I is to determine if an RPA President may succeed himself/herself; and if so, for how long.

Article IV, Section 1 (a) presently reads:

“Section 1. The Officers of the RPA shall be:

a) **President**, who shall not succeed himself or herself unless he or she has not held the office for a complete term. The President shall preside at all meetings of the RPA and perform all duties usually associated with that office. . . .”

Article V, Section 1 presently reads:

“**The Board of Governors** of the RPA consists of the yearly elected RPA officers, three elected Governors-at-Large, and the immediate past RPA President who serves one year only....”

A. Change to allow President to serve with no term limitation (Board recommendation)

Choosing Selection A is a vote to Change Article IV, Section 1(a) to read as follows:

“a) **President**, who shall preside at all meetings of the RPA and perform all duties usually associated with that office. . . .”

and to Change Article V, Section 1 to read as follows:

“The Board of Governors of the RPA consists of the yearly elected RPA officers, three elected Governors-at-Large, and the immediate Past RPA President The three etc.”.

B. Change to permit a President to serve a maximum of two (2) successive terms

Choosing Selection B is a vote to Change Article IV, Section 1(a) to read as follows:

“a) **President**, who may be re-elected for a second one-year term only, shall preside at all meetings of the RPA and perform all duties usually associated with that office. . . .”

and to Change Article V, Section 1 to read as follows:

“The Board of Governors of the RPA consists of the yearly elected RPA officers, three elected Governors-at-Large, and the immediate Past RPA President, who may serve up to two years. The three etc.”

C. No change

Choosing Selection C is a vote to leave these Articles unchanged

Proposition II - Matter of provision for filling a vacancy on the Bd. of Governors:

Vote for one option only – (improperly marked or unmarked ballots will be declared void for this proposition [#II]).

YES NO

Purpose: The purpose of Proposition II is to provide for the filling of an unexpired term of governors-at-large in the same manner as now specified for all other elected officials. (Board recommendation)

This proposition would Change Article V, Section 1 of the Constitution to read as follows by adding the text which is in **bold type and underlined**:

“The Board of Governors of the RPA consists of the yearly elected RPA officers, three elected Governors-at-Large, and the immediate Past RPA president . . . **Should a Governor-at-Large vacate the office during her/his term, that vacancy shall be filled in accordance with Article IV, Section 3 of this Constitution.**”

Proposition III - Matter of providing for an Annual Internal Audit

Vote for one option only – (improperly marked or unmarked ballots will be declared void for this proposition [#III]).

YES NO

Purpose: The purpose of Proposition III is to spell out the *Internal* nature by which the annual audit is conducted. (Board recommendation)

This proposition would Change Article V, Section 5 of the Constitution to read as follows by adding the text which is in **bold type and underlined**:

“The Board of Governors shall appoint an Auditing Committee which will report their findings to the membership at the Annual Business Meeting. The Auditing Committee of three (3) members, made up of RPA members, excluding elected Officials and Governors-at-Large, will examine and **perform an internal audit of** the accounts of the Treasurer at the RPA meeting prior to the Annual Business Meeting in June.”

PACIFIC 97

1997 USPS Issue Calendar

It's going to be a "Really Big She-ow" (apologies to Ed Sullivan); but it's not on television, it's to be in San Francisco, California.

In case you hadn't heard, it's PACIFIC 97, an international stamp show that has been in the planning for the past 11 years. Slated to open May 29, 1997 and continue through June 8, this show features everything large:

- . A bourse of nearly 200 dealers, from 18 countries plus US.

- . Postal agencies from 110 countries, including, USPS.

- . Uncounted societies and association meetings.

- . Exhibits - 585 of them - from 57 countries, in 3589 frames.

- . To be judged by a jury of 42 members, 10 apprentices, with two senior consultants and an expert committee.

- . Some familiar names jump out at us: John Hotchner and Ann Triggler on the jury; Bill Bauer, a senior consultant.

All of this largeness will be housed in San Francisco's Moscone Convention Center, itself a study in "large." The exhibit hall is 836 feet long; there are 31 meetings rooms, a ballroom, and more.

The Moscone Center is named for the city's late mayor, George Moscone who in 1978 was gunned down by an assassin in city hall. (Killed at the same time in full view of several spectators was city supervisor Harvey Milk.) The Center is in an area of the city formerly full of dingy warehouses.

One thing that is NOT big is admission to the show - that is FREE!

It appears from various reports that the only other things that won't be very big are the wallets of the attendees after the show! But they will probably tell us it will all be worth it.

Whatever their adventures at Pacific 97 - philatelic and otherwise - we wish them all well.
