The RPA is an affiliate of four societies: the American Philatelic Society (Chapter 207), the American Topical Association (Chapter #84), American First Day Cover Society (Chapter 69), and the International Society of Worldwide Stamp Collectors (Associate #1).

ROPEX- ROchester Philatelic EXhibition

For many years the RPA organized a yearly stamp show called "ROPEX." While the pandemic curbed show plans in recent years it is hoped that the RPA can renew hosting a show in the near future.

Exhibitor Assistance

If you ever thought of exhibiting at a local, regional or national level, the RPA can help. Several members have broad knowledge and experience in exhibiting and can assist you with your display. We also have a few nationally accredited APS and ATA judges in our membership who can additionally critique your presentation and offer advice.

RPA Web Site

The RPA maintains a very extensive web site at <http://www.rpastamps.org>. You'll find meeting details, stamp show schedules, historical information and much more there. Check it out when you get a chance.

Free Dues

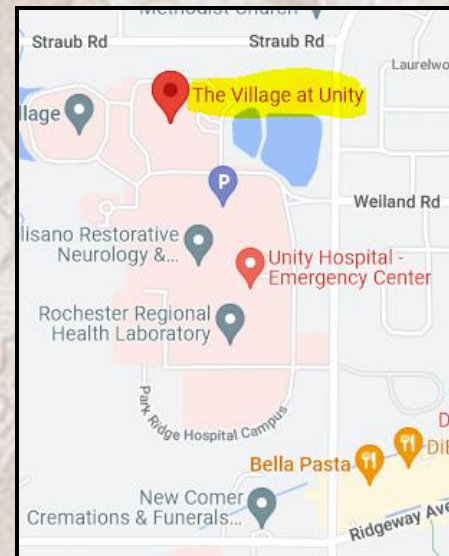

As an RPA member, we hope you have the opportunity to recruit fellow philatelists into our group. By sponsoring three or more new members into the RPA in any given RPA year, your dues for the following year will be free. Life membership is granted to any RPA member with 25 years of paid dues.

We hope the material presented here gives you a better understanding of what the RPA is all about and the many ways we can help each other enjoy stamp collecting to its fullest. The RPA appreciates your decision to join our club, and once again, welcome!

Meeting Location Details

We meet the second and fourth Thursday of every month from September through June, except in November through February when only the second Thursday meeting is held. Our home is at the Village at Unity Village Square Community Room at 1477 Long Pond Rd, Rochester, NY 14626 in the suburb of Greece.

Meeting Agenda

All meetings officially begin promptly at 7:30 PM. Doors open at 7 PM, allowing a half hour of informal gatherings for exchanges, etc. beforehand.

Most meetings feature a silent auction table starting at 7 PM. Members with material to sell are welcome to bring in items for the table before 7:30. Pick up auction forms at the head table when you arrive, placing one on each lot. Include your full name, an accurate item description, estimated catalog value, and the minimum starting bid. Those interested in the lot will examine it and place written bids on your sheet. The highest bid when the auction closes at the end of the evening wins the lot. There is no commission involved. All lots are then settled between the seller and buyer. Note that the RPA assumes no responsibility for items on the table before, during or after the silent auction.

Meetings end between 8:30 and 9:00 PM. Programs cover a variety of philatelic subjects, with either a live or electronic presentation. We encourage RPA members to give talks on their areas of interest and/or expertise. Speak with the current RPA officers to discuss such opportunities. We can also arrange to photo or scan your items for a presentation.
