## Society Exhibit Medals

This Society-sponsored medal is available to any show that uses APS judges and has one or more Vatican City or Pontifical (Roman) State exhibits in open competition.

Only one medal may be awarded per show. To be eligible, the exhibit must 1) win at least Silver; 2) be composed mostly of Vatican City or Roman State material; and 3) not have won the VPS medal

before.

The medal may be given to any class of exhibit, including single frame, youth, or display. The exhibitor need not be a member of the VPS to receive the medal.

The medal is gold, approximately 2.25" in diameter, suspended from a gold and white neck ribbon, and enclosed in a presentation case.

For more information or to request a medal, [contact the President](#).
